

Education: After attending “Ovidius” Medical School in Constanta, Romania (1995), I completed training in Pediatrics in the Fundeni Clinical Institute, Bucharest where I worked directly with Prof. Dr. Constantin Arion. Next, I was trained for Clinical Fellowship in Hematopoietic Stem Cell Transplantation at Hadassah University Hospital, Jerusalem, Israel where I worked with Prof. Dr. Simon Slavin and at University Hospital Regensburg, Germany where I had the privilege to work with Prof. Dr. Ernst Holler. In 2004, I obtained my PhD from the “Carol Davila” University Bucharest, Romania. I joined the “Carol Davila” Faculty in the Fundeni Pediatric Department in 1997 and I was promoted to Associate Professor in 2014.

Research interests: My research interests are focused primarily on clinical hematology and hematopoietic stem cell transplantation.

I serve as vice –president of the Romanian Society for Stem Cell Transplantation and member of different national (SRHOP, SRH) and european societies (EHA, EBMT).

I published more than 50 peer-review articles in the field of stem cell transplantation, leukemia and lymphoma, non-malign hematology in different hematology journals.
